

I'd like to begin this month with a congratulations to Park Hills' Greater Altoona Tournament team for winning the event again this year. Our team of Brett Miller, Bill Allen, Ron Hinish, and Terry Burd edged out the Sinking Valley team by 2 shots to give Park Hills its second consecutive win in the annual classic. Brett Miller was the tournament medalist. The Park Hills ladies team of Cindy Trimarco, Nancy Moore, Darlene Grove, and Barbara Fiore also competed valiantly, finishing third. On behalf of our club, I'd like to thank all our players for representing our club in the very prestigious area event.

Golf Members should mark their calendars for the evening of October 14<sup>th</sup> to attend a club-sponsored cocktail reception and meeting. The event will be held in the banquet room from 6:00 – 7:30 and will include a brief address from our owners on the progress of the club. Appetizer style foods will be served and we hope all Golf Members will try to attend.
