

Happenings September 2015

September already?? Hard to believe how fast the summer months have come and gone. Even so, we have much to look forward to here at Park Hills.

We're anticipating at least two good months of golf in the milder temperatures on the incredible golf course our greens staff has given us this year. The annual greens aeration won't be done until late in October so get out and enjoy it while you can. For the golf Members reading we have a few good events still planned for you, culminating with the inaugural "Superintendent's Revenge" and Oktoberfest two ball scramble on October 3rd. Check the pro shop postings for info in the coming weeks.

The cooler weather will also bring opportunities to enjoy our new patio fire pit, and we're looking to extend the outdoor dining season with the addition of some heaters to our newly furnished patio area. Your favorite sports are always on here at the club, both inside and out, so come on out to watch the big game in the company of friends and enjoy food and drink specials for all the Pitt, Penn State, and Steelers games. Who knows, a friendly game of ladder ball or corn hole may even break out at half-time.

[Another Story](#)

Tavern 27 continues to be busier with each passing week. Fridays and Saturdays have been booked solid, even with the outdoor venues open, so be sure to make your reservations early for those nights in particular. Seating together will be limited for parties of over 8 people once we're forced to move inside but we'll do our best to accommodate you with tables in close proximity if you have a very large group. We appreciate your understanding of the small space and our limited ability to connect tables. We also would like to thank everyone for their patience as we built and rebuilt our staff and expanded Tavern 27 menu service to the grill room and deck. We know at times the service has been slow and we will continue to improve in this area.

Make plans to spend part of Labor Day Monday with us. As always, there's a golf event in the morning (Guests of Members are welcome) and a real deal BBQ with chicken, baby back ribs and local sweet corn from 11-3.

While snow is hopefully still a ways off, we'd like you to know we will be grooming a cross country skiing trail once the conditions are right. Look for details as the season gets closer.

Please help spread the word that Park Hills' golf and dining aren't just for Members anymore! We're doing our best to make it a four season venue for all to enjoy. As always, the ownership and staff here thank you for your support.
